

CRUSADERS v WARATAHS

WATCH RUGBY WITH TAYLOR WOODINGS

With the first games kicking-off last week, Taylor Woodings would like to invite you to join our team and other fellow footy tipping comrades for an evening of rugby.

The battle between the **Crusaders v Waratahs** is set to be a big one and you can enjoy watching it on a big screen with fellow rugby fans.

With seven titles, the Crusaders are the most successful team in Super Rugby history. Do our Waratahs have what it takes to beat them?

We hope you can join us for a cracker of a night!
